slot after the bottom bracket broke on his bike, causing slight injury to his leg so that he was unable to ride himself. Often we have to feel indebted to observers because they've stood out all day in appalling wind and rain, after this event we should feel grateful to them for the sunburn that they'll be suffering from!

SMILE OF THE DAY ...

From the group of elderly lady spectators who spent nearly the entire day sat watching:-

"This is much better than watching tele - the council should put more of this stuff on for us Oooh, careful luv !!!"

Telephone conversation on the Monday morning with Blackpool Council reports that they were very impressed with the event and the organisation, and it's over to us for whenever we want to organise another. Watch this space!

THANK YOU ALL FOR YOUR PARTICIPATION, IMMACULATE BEHAVIOUR AND FOR MAKING THIS AN AMAZING DAY.
