And most of all to the landowner for his hard work in widening the gateway into the field so that we could have better parking and easier access to the wood.

Brilliant weather for the event, especially after the torrential downpours over the last week. Sorry to those who got lost in the divert because of the landslide on the A59, we're afraid that that was something we failed to foresee - but at least you all made it!

This same fantastic venue is being used on the weekend of 23rd and 24th June for a fun annual 2-day event run by TykeTrial. The club has extended entry to everyone who rode in the Brimham Trophy event, you can download an entry form from www.biketrialuk.co.uk or can enter on-line.

The next round of the UK National Biketrial Championship is the Fort Bill Cup on 8th July in Scotland. Should be a good event with lots of local riders attending. Hope to see you all there!
